Describe How and When

Please submit comments on the draft risk evaluation by August 30, 2019 to allow the SACC time to review and consider them before the peer review meeting. Comments received after August 30, 2019 will still be provided to the SACC for their consideration. Submit requests to present oral comments (in-person or over the telephone) during the webcast and/or the public portion of the peer review meeting to the Designated Federal Official (DFO) August 30, 2019. Comments received after this date and prior to the end of the oral public comment period during the meeting for each chemical will still be provided to the SACC for their consideration.

Will the Agency provide significant and relevant public comments to the peer reviewers before they conduct their review?

Yes

Will the review be a panel, conducted in public?

Yes

Will public comments be allowed at the panel review?

Yes
