**Inside Activities (Actividades Internas)**

- Pour washwater into a janitorial or mop sink. Don't pour it out onto a parking lot, alley, sidewalk or street.
- Clean floor mats, filters and garbage cans in a mop sink, or over an internal floor drain. Don't wash them in a parking lot, alley, sidewalk or street.
- Recycle grease and oil. Don't pour it into sinks, floor drains, or onto a parking lot or street.

**Outside Activities (Actividades Externas)**

- Use dry methods for spill cleanup (sweeping, cat litter, etc.). Don't hose down spills.
- Use métodos secos para limpiar los derrames (escobas, arena de los gatos, etc.). No use mangueras para limpiar los derrames.
- Keep dumpster area clean and lid closed. Don't fill it with liquid waste or hose it out.
- Mantenga el área alrededor del basurero limpia y la tapa cerrada. No lo llene con desperdicios líquidos ni utilice la manguera.
- Regularly clean up parking lots and the outside area surrounding the restaurant. Sweep up food refuse, cigarette butts and other trash and debris from outside areas.
- Regularmente llimpie los edacamientos y el área exterior que rodea el restaurante. Barre los desperdicios de comida, las colillas de cigarillos y cualquier otro tipo de basura y escombros de las áreas exteriores.

**Did You Know?**

It is illegal to discharge waste water or water containing soaps, detergents, cleaning products, grease, etc., into streets or curb inlets.

Curb inlets were designed to drain rain water from the streets to prevent flooding, but the same curb inlets can carry pollution (detergents, disinfectants, grease, trash, etc.) to the nearest neighborhood creek. Storm drains do not remove pollutants.

For a Cleaner & Healthier Environment
To Prevent Stormwater Pollution

A Guide for the Food Service Industry

This brochure was created as a cooperative effort between the Board of Health Departments for the counties of Clayton, Cobb, DeKalb, Fulton and Gwinnett, the Clean Water Campaign and the Pollution Prevention Assistance Division (P2AD).

For the best management practices related to inside food operations, contact the Pollution Prevention Assistance Division (P2AD) at (404)651-5120 or online at www.p2ad.org

To find out more information about your county's industrial or commercial stormwater program, contact the jurisdiction below or online at www.cleanwatercampaign.com
